

Product Information Sheet

Aqua Multi-Purpose Deck Cleaner

Product Description

Utilises specific low dose concentrated chemicals and eco surfactants for cleaning and deodorising in a dissolvable sachet form 0.5g dose in a 10g sachet undissolved.

Core Benefits

- Triple action: cleans / deodorises / easy rinse
- The products breakdown dirt and grime easily
- Natural, safe, and effective way to combat buildup of dirt
- Reduces the use of single use plastics
- Ensure you dilute with the correct dilution rate to maximise results

How does it work?

Combines biodegradable surfactants, fresh fragrance to clean, removes grime and leaves surfaces shiny

Directions for use

Fill up your washing bucket with water and drop a single sachet into bucket using dry hands and then stir to mix product into the water with your mop or deck brush. Once dissolved top up the bucket if required and you are ready to go.
